PR PROBLEMS: We MUST make the announcement of your return and of successfully RETaking and REGaining 100% control of "Project SERPO" into the hands of the Defense Intelligence Agency NO LATER than this:

FRIDAY, FEBRUARY 24, 2006!

Here's why: A HUGE, influential UFO conference is taking place from Saturday, February 25, 2006 - Sunday, March 5, 2006 in Laughlin, NV.

Bill will be representing our cause, but guess who will be there WITH him as his "handler" and "shadowing" him?! That's right: RICHARD C DOTY! YIKES!

If you permit this to happen, this will be WORSE than a "new" POSTING: People will be so entrenched with Bill in the "driver's seat," that people will NOT believe that I will once again be in the driver's seat when you officially return if you wait to announce it until AFTER the conference.

However, if you announce it right BEFORE the start of the conference -- on "Black Friday" February 24, 2006 around 8 a.m., it'll be the TALK of the conference that "Project SERPO" was hijacked by Satanic elements of AFOSI from the DIA, a fierce intra-agency cyberspace war ensued and that the "white hats" of the "black world" emerged victorious.

YOU write the press release -- don't worry about grammar, style and usage -- I'll rewrite parts of it if necessary, then I'll stream it, but you must do this SOON. This should be your No. #1 priority for THIS week. If you concur and do this, the RETaking of "Project SERPO" by the DIA-6 will be the #1 and hottest topic of discussion at the UFO Conference,... I guarantee it 100%!

Trust me on this, John!

I, too, like a walk in the tidal basin in April,... in the San Gabriel Valley River!

Aha. Well, then Kit's not very sharp, then either!

I think that you're right to tell Anon- the sooner the better! Put the poor blighter out of his misery (Bill that is.) If he goes to Laughlin and then this breaks he will look an even bigger ass, or accomplice, as Rick will be there - by his note to Rick.
