BEFORE you proceed, here's the IP check Scott and I did AFTER you disappeared; you were at least four (4) people!

HOW is this possible?! Had a rival USG agency already "hijacked" your computer and then decided to strike right AFTER POSTING #11? You may have had your doubts about me, but believe me, I had my doubts about YOU!

BOTTOM LINE: This is the PRIMARY reason I had to determine that you were a REAL PERSON and NOT Rick playing both you, him and two (2) other people! This should give you plenty to think about over a couple of burgers! -

Victor:

Thanks for the links to Above Top Secret. I have read this information and am ready for you and I to determine how to proceed. We shall do so this evening.

Before we begin, you must know this: there we no cloned IP addresses. Each of the messages you forward to me (Rick Doty, Paul McGovern, AND the first anonymous email of November 1, 2005) ALL originated from the same CONSUMER BROADBAND SERVICE PROVIDER in (or around) Albuquerque, NM.

I am not Rick Doty. From this point forward, you will know me only as Casper. Any further email messages you receive from Sylvester are not from me.

Remember my name. Remember the tidal basin.

I will contact you soon.

Casper
