OK, 10-4. Sorry I didn't respond sooner, but I stepped out to have lunch with a teacher friend of mine.

If and when the official program goes into effect with legitimate, mainstream news media sources and "focus groups," I hope that I will be one of the focus groups selected -- with my highly influential "UFO Thread List" -- in light of all that I have done -- and endured -- and my strong language arts and editing skills.

POINT: Look at the worldwide phenomenon I sparked with my small "UFO Thread List."

FINAL QUESTION: Were ALL of the POSTINGS -- #1 - #15 -- FAKES?

I will await your final post for "Black Friday" which you should get to me TODAY, Feb 23....

Burgers are still on me! -

Victor:

My colleagues and I have hurriedly conferred on this issue and have unanimously agreed to provide you with the text of a release for public consumption. You will be free to stream it in any manner you choose, provided that the only clues to our identity are those which we provide and which will be meaningful to a very specific audience.

I will prepare the text and have it approved without delay and send you the copy for final edit and distribution.

Privately, I am not authorized to answer you final question. Out of respect for your efforts, loyalty, and commitment to the truth, I will tell you that there are plans to release information to the American people. Those plans include trusted media sources who can reach target audiences as focus groups, prior to commencing an official campaign of intragalactic Glasnost. I have not been briefed further at this time, except to the extent necessary to know that Mr. Doty is not part of this plan, nor is his information accurate. This does not, however, mean that all of it was false -- we are not alone my friend. But until the blossoms bloom, we must stay focused on the present task.

Our copy to follow with all due haste.

Casper
