SYLVESTER:

OK, here it is and how it ALL went down:

1) A "new & improved" ANONYMOUS within YOUR "black world" intell community approached Richard C Doty and told him that they were now the "official" disclosure people for "Project SERPO" and were "firing" me for my continued editing corrections of the material for grammar, style, usage, etc., despite being told NOT to do so for POSTING #11, the journal entries.

2) They said that they did NOT want to approach Bill [Ryan] directly, so they wanted to pass the "new" [faked] material to Rick who would then

Fed-Ex to his girlfriend Kelly Joyce Neff

www.brotherrabbit.com/kelly.html

who would then download it and e-mail it to Bill Ryan for posting.

Bill

faithfully posted "your" material to his Web site at:

www.serpo.org/

but with reservations.

3) I asked him many questions about "his" ANONYMOUS, where the photos of our Team Members were, why I was "fired," etc., but he refused to answer and now I know why: The "new" ANONYMOUS directed him to answer NO probing questions from me knowing full well that I would KNOW instantly that Bill was dealing with an imposter an being "played" as a DISinformation agent.

4) WHERE did get this disturbing, but enlightening information from? Why from Bill's now EX-girlfriend, Kelly Joyce Neff herself ON THE PHONE! In fact, Rick called her home, explained to her WHY this was being done and that he was the "pass-through" for the "new" ANONYMOUS of "Project SERPO."

Now, whether they told him that it was YOU or a new person who had replaced you, I DON'T know and neither does she. In other words, Rick might actually have thought that he and Bill were dealing with the SAME ANONYMOUS that I was! However, I think you can see a real irony here, can you not?

For years and years, Rick spent a lifetime in counterintelligence and ran DISinformation campaigns on the public (e.g., the Paul Bennewitz affair) and now HE himself has fallen victim to a DISinformation campaign! How's THAT for a real head turner?!

5) Before flying off the handle, bear in mind that Rick Doty was only the pass-through for these "new" postings and thought he was the messenger for AUTHENTIC material, so let's NOT shoot the messenger for delivering the message, right?

"Keep your friends close, but keep your enemies even closer."

6) What YOU need to find out is WHO in your "black world" was sending this DISinfo material to Rick,... that's HUGE and should be a "9/11" priority!

7) Per your request, I streamed "Project SIGMA," but, as you see, I've done a lot of my own foot work all of which I hope assists you in solving this perplexing puzzle and this dizzying turn of events. Wow, what a day!

8) Feel free to resume the POSTINGS whenever you feel the timing is right and make some kind of public announcement -- which I'll REword -- stating exactly what has occurred so we can get back on track,... that's IMPORTANT.

9) By the way, did I ever meet your father at a UFO convention or a public event of some sort from the cryptic "Perhaps a visit from my

father might TAX your memory!"

Now, that threw me for a loop, but that's OK,; the burger joint was good enough: The Habit on Glendale Ave, in the City of Glendale,... always there EVERY Friday afternoon around 3:30 - 4:30 p.m.; MY treat if you're ever in L.A.! -
