"There is no substitute for quality."

Professor:

I just got off the phone with Kelly Joyce Neff (Bill's ex-girlfriend) minutes ago on this Sunday morning in an effort to possibly convince her to send me/us those CD-ROMs the postings were gleaned from.

Well, that's not going to happen, but here are more details on how everything went down:

- 1) The FIRST POSTING from/for the IMPOSTER entries was sent from Rick via ENCRYPTED form to Bill to wherever he was in Europe;
- 2) For the next three (3) postings, Rick told Bill that it was "too

risky" to send via computer/the Internet [perhaps he thought you guys were onto him/them?], so he insisted that they be sent by FedEx which they were.

UNfortunately, Bill was there to sign for all three (3) packages else Kelly told me that "I would have been more than happy to have sent them to you!" [for forensic analysis] and because she's PISSED off that she's LOSING HER HOME over "Project SERPO!"

3) Bill's coming "home" in a couple of weeks [NO "nooky!"], then heading off to the Laughlin-Nevada UFO conference as our official spokesperson for "Project SERPO" then coming back to CA and then back to Europe for his job.

This may not be of too much help, but does provide you with additional background on how this AFOSI operation went down. Let me know if there's anything else I can do for you/the DIA-6.
